PROFESSIONAL SUMMARY

Software Tester with hands-on experience in Manual and Automation Testing using Playwright, Appium, and TypeScript. Skilled in Functional, Regression, Smoke, UI/UX, and End-to-End Testing across web and mobile applications. Strong understanding of SDLC, STLC, defect lifecycle management, and Agile methodologies. Experienced in leveraging AI tools for automation scripting, test data generation, and debugging to accelerate release cycles.

TECHNICAL SKILLS

Testing: Manual Testing, Automation Testing, Test Planning, Test Case Design, Functional, Regression, Smoke, End-to-End Testing, Test Strategy, Load Testing

Test Automation Frameworks: Playwright, Appium, Selenium

Performance Testing Tools: JMeter

Programming Languages: TypeScript, Java

Tools & Platforms: Azure DevOps, JIRA, Git

Methodologies: SDLC, STLC, Agile Testing

AI Tools: AI-Assisted Scripting, Test Data Generation, Debugging

PROFESSIONAL EXPERIENCE

Software Tester, Softtestlab Technologies

May 11, 2026 - Present

Pune, Maharashtra (Office)

- Execute manual and automated test cases across enterprise web and mobile applications each sprint, ensuring on-time, defect-minimized releases.
- Design test plans, test scenarios, and test data directly from business requirements, improving requirement-to-test traceability.
- Conduct functional, regression, smoke, and retesting cycles to maintain application quality across releases.
- Build and maintain automation scripts using Playwright and Appium with TypeScript, reducing manual regression effort.
- Identify, document, and track defects through full lifecycle in JIRA and Azure DevOps, coordinating fixes with developers.
- Apply AI tools to accelerate automation script development, troubleshooting, and test data generation.
- Collaborate with developers, business analysts, and QA teams in Agile sprints to ensure STLC compliance.

Software Tester Intern, Softtestlab Technologies

Nov 11, 2025 - May 10, 2026

Pune, Maharashtra (Office)

- Supported manual testing efforts for enterprise applications, contributing to test case design and execution under senior QA guidance.
- Gained hands-on exposure to Playwright and Appium automation frameworks and the full defect lifecycle.

KEY PROJECTS

Enterprise Funeral Management Suite (Web Portal + iOS Apps + TV Application)

- Designed and executed 150+ test cases across 15 modules spanning web, iOS, and TV platforms, covering customer profiles, digital registries, invoicing, and billing workflows.
- Tested system analytics dashboards for real-time reporting and data insights.
- Verified real-time data synchronization across web, mobile, and TV platforms.
- Automated 10 complete end-to-end flows using Playwright, including critical operations like CSV data handling and PDF extraction/validation, reducing manual regression effort.

Senior Care House Facility Application (Role Based Web Portals + Mobile Apps)

- Designed and executed 200+ test cases across 15+ modules covering role-based access and permissions for Admin, Staff, and Resident user roles.
- Built 100+ end-to-end automated tests spanning web, Android, and iOS, including cross-platform validation.

- Tested system analytics tabs for accurate reporting and data visualization.
- Validated real-time messaging, push notifications, and emergency alert functionality.
- Used AI-assisted techniques to generate boundary-value test scenarios, improving edge-case coverage.

Job Placement & Recruitment Web Application (Role Based Web Portal)

- Designed and executed 100+ test cases across 10 modules covering candidate registration, job search, application workflows, and resume upload functionality.
- Verified automated email notifications and application status updates.
- Validated analytics dashboards and recruitment metrics reporting.

EDUCATION

B.Tech. in Computer Science & Information Technology Rajarambapu Institute of Technology, Sangli	June 2025
Class XII (PCM) Ligade Patil Junior College of Science, Karad	May 2021
Class X VGM Highschool, Vasantgad	May 2019

CERTIFICATIONS & ACHIEVEMENTS

- Rubicon Soft Skills Development Certification
- NCETET Research Paper Publication Certificate, Bharathi Vidyapeeth, Kolhapur
- Quantum National Project Competition - Runner Up
- Graduate Aptitude Test in Engineering (GATE 2025) - Qualified
